

**Summer Hours:
Monday - Thursday
7:00 am to 2:00 pm
Closed Fridays**

***VOLUNTEER FOR THE JOHN DEERE CLASSIC
AND HELP JORDAN BOOSTER CLUB
EARN MUCH NEEDED FUNDS!***

You'll get to enjoy some sweet perks, too!

****John Deere Classic Parking Volunteers**

Volunteer at the John Deere Classic (**June 29 - July 3**) and help raise funds for Jordan Catholic School! This is a fun opportunity to volunteer with family or friends!

Every summer Jordan organizes volunteers to staff one of the JDC parking lots. The JDC rewards this collective effort in many ways, including:

- Providing a donation check to Jordan for approximately \$50 for every volunteer shift we cover (final check is usually over \$3500...but we need to have enough volunteers!)
- Each volunteer gets a pass to the JDC tournament allowing for unlimited free entry
- Each registered volunteer gets a free round of golf at TPC Deere Run
- Volunteers get a meal and soft drinks during their shift

To volunteer yourself and/or a crew of family and friends, do the following:

(1) Sign up for a shift or shifts --> **Sign Up HERE to Volunteer!**

Signing up a whole group that you'll work with is encouraged! All of your crew will enjoy the same perks!

(2) All Volunteers must Register JDC--> **Register with JDC HERE** Using Passcode: park2022

~~~~~  
**SAVE THE DATE!!!**

**Teams of four \* Best Ball \* Registration Coming Soon**

**\*\*Jordan Booster Club Golf Outing - Saturday, August 6th at Highland Springs**

**GRADUATION AWARD LIST FOR 2022**

**Jordan History Award- Ben DeMarlie**

**Sister Mary Paulina Sullivan Math Award-** Molly Nonnenmann  
**Carl & Marion Schorpp Award-** Lindsey Britton & Luke Hoffman  
**Knights of Columbus- Allouez Council-** Molly Nonnenmann & Noah Verscha  
**Gerard & Colleen Huiskamp Foundation Scholarship-** Kyle Boden  
**Edward & Henrietta Kenney AHS Tuition Scholarship-** Nicole Magee  
**Sister Mary Catherina Walsh Award-** Bailey Klauer & Luke Thompson  
**Glenn & Lou Wood Award-** Claire Mehochko & Caden Jenulis  
**Frank & Evelyn Noe Scholarship-** Steele Brones  
**Al & Pat Kukla Scholarship-** Gabriella Gusse & Ben DeMarlie  
**American Legion Award-** Claire Mehochko & Luke Hoffman  
**Jordan Booster Club Award-** Lindsey Britton & Noah Verscha  
**Jordan Booster Club Volunteer of the Year Award-** Lindsey Britton  
**Carlin Award-** Grace Smithers & Michael Noack  
**Jordan Catholic School- School Spirit Award-** Alix Thorpe

### **Jordan Catholic School Awards**

**Al and Nancey Roels Scholarship-** Emily Short  
**Friends of Jordan Scholarships-**  
Grade 7: Adam Bell & Clarissa Johnson  
Grade 6: Charlie Randazzo & Margaret Higgins  
Grade 5: London Bailey & Rosli-He Lang  
**James Ghrer & Jeff Barnes Leadership Award-** Emily Short & Brodie Purcell

### **MATHCOUNTS COMPETITION**

Congratulations to the 7th & 8th Grade Mathletes!! Some of the 7th & 8th grade students participated in two math competitions this year; MathCounts & ICTM (Illinois Council of Teachers of Mathematics Organization). MathCounts is a national competition and ICTM is a statewide competition.

#### **MathCounts**

The MathCounts program provides engaging math problems to 5th through 8th grade students of all ability levels to build confidence and improve attitudes about math and problem solving. There are other opportunities to practice and participate in a variety of activities all year round to promote more interest in mathematics and engineering.

The school competition determines which students qualify for the chapter competition. We had a team of 4 students who also participated in the individual competition. There were 10 students, in total, who participated in the Chapter contest. The team that earns 1st place position as a team and the top 2 students in the individual portion of the Chapter competition qualify for the State contest.

Our competitors who qualified for the Chapter Competition:  
8th Graders were *Lindsey Britton, Caden Jenulis, Claire Mehochko, Molly Nonnenmann, and Grace Smithers.*  
7th graders were *Adam Bell, Makenna Larson, Ava Rogers, Ava Praet, and Emily Short*

The Team won 2nd place and two students earned a top ten spot in the individual portion of the contest. The team consisted of *Lindsey Britton, Caden Jenulis, Clarie Mehochko, and Grace Smithers. Caden Jenulis earned 5th place and Claire Mehochko earned 8th place.*

#### **ICTM (Illinois Council of Teachers of Mathematics Organization)**

ICTM Contest is offered to 3rd through 12th grade. The purpose of the contest is to recognize outstanding mathematical achievement, encourage independent study, stimulate interest in mathematics, and provide a wholesome meeting ground for students and teachers of mathematics through academic competition. Once the students reach 9th grade, they can compete in Algebra I, Geometry, Algebra II, and Pre-Calculus in a variety of formats. There are three rounds in the competition. The total score is what determines how students place.

Our competitors who participated and earned our school First Honors in the Competition:  
7th Grade: *Adam Bell, Cathleen DeBisschop, Clarissa Johnson, Makenna Larson, Rhylee McMeekan, Cruz Neises, Ava Praet, Ava Rogers, Alexander Shaw, and Emily Short.*

8th Grade: Lindsey Britton, Ben DeMarlie, Caden Jenulis, Nicole Magee, Claire Mehochko, Jack Milner, Michael Noack, Molly Nonnenmann, Delaney Orendorff, Neima Rogers, Max Salaverria, Grace Smithers, Luke Thompson, Noah Verscha, Gracelynn Veys, and Ashley Wood.

Congratulations Students!!

Mrs. Brackney, 7th-8th Grade Mathematics Teacher

~~~~~

And, congratulations to our Jordan Alumni who as Alleman students competed in the ICTM State Math Contest.

Alleman has participated in the ICTM Math Contest since the early 90s. In that time, Alleman has taken 1st place at the regional level contest in the following years: 1992, 1993, 1997, 1998, 1999, 2010, 2011, 2015, 2019, 2020, 2021. This year Alleman made school history by taking 1st place at regionals for four years in a row!

We are so proud of our Jordan Alumni: Andrew Amacher, Nate Bishop, Noah Britton, Sasha Cornillaud, Danny Darrow, Elijah Farwell, Quentin Fonseca, Joey Magee, Kate Mehochko, Ben Milner, Mary Nonnenmann, Ashlynn Sullivan, Andrew Torres, and Lauren Trefry.

They received 1st and 2nd place honors from Algebra 1 to Precalculus!

JORDAN SUMMER CAMP

[Click Here for June Camp Descriptions](#)

[Click Here for June / July Summer Camp Registration](#)

[Click Here for 7 & 8 Grade VOLUNTEER SIGN-UP](#)

Registrations are ongoing throughout the months of June and July. Some June camps are almost full.

AREA SUMMER CAMP AND PROGRAM OFFERINGS

St. Ambrose University Camp Offerings for Grades 5-8: <http://sau.edu/summer-at-sau>

St. Ambrose University Queen Bees Summer Camp: [St. Ambrose Registration](#)

St. Ambrose Dance / Cheer Camps <https://event.formdash.org/2022/sau-spirit-camp/>

6th Annual Summer Reading Club for all elementary school students who live or go to school in the 71st District. The “McComBEE Reading BUZZ” program is offered to encourage students to start or continue positive reading habits. Families may mail their forms to the District office at 2510 Locust Street, Suite A, Sterling, IL 61081 or submit online at: <https://repmccombie.com/summer-reading/>

SUMMER LEARNING Information and Resources

We had a great school year! Help your kids stay on top and not experience the *Summer Slide Blues*! Here are some great resources for you

-Tutoring

We have several teachers at Jordan who are available to work with students this summer.

Stacey Nelms - 4-8 year olds (Reading)

Kim Raufeisen -1st-8th (Math, Reading, English and Phonics)

Jen Lothridge - K-3, July only (Math, Reading, Phonics)

Chris Tee - junior high

If interested, please reply to this email.

-**Mathnasium** in Bettendorf is great for Math tutoring for grades 1+.

-**Northern Illinois University** holds the Summer Reading Skills Program each year for PK-11 grade students. Tutors will focus on phonics, fluency, comprehension, vocabulary, writing skills and more. Visit <https://readingprograms.org/niu> or call 1-800-715-2808 for more information, or see the flier here:

-There are usually students at **Augustana College, St. Ambrose, and Alleman High School** that are available for tutoring. Call the Education department at the colleges or the main office at Alleman to see if they have a current list.

-Jordan Summer Camps (June)

Jordan Summer Camps in June offer a variety of classes to keep students learning. See our Jordan Summer Camp offerings noted above.

-Reading programs at public library

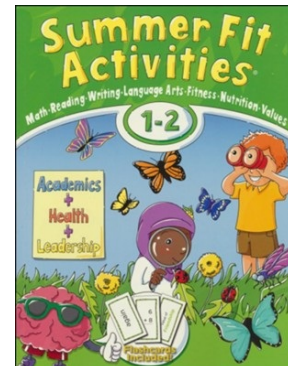

Every public library in our area holds a summer reading program. Going to the library websites or the library itself will provide information about signing up and the details of each program. Here is Rock Island's summer information: <https://www.rockislandlibrary.org/posts>

-READ!

Set aside time each day for children to read to themselves AND for parents to read aloud to them.

-Real-World Reading and Math

Read road signs, the back of cereal boxes, menus, names of businesses etc. out in the real world. Strengthen math skills by having children use cash to pay for things, add up prices at the store, tell time on an analog clock instead of digital, or determine how much food is needed for a summer party. Anything that a parent does that requires reading or math can be something that a child can do, at their level, too!

Workbooks

Summer Bridge

These books have been highly recommended by teachers and parents for quite some time. Some workbooks cover just one subject area, where others encompass math, reading, social studies, science, and physical education. They are usually grouped by grade level and broken down into a daily lesson for each week of the summer. The Teacher's Aide in Moline and Davenport always carry these. They can also be found online.

Scholastic Weekly Reader Summer Express

These workbooks are for Pk-5th grades. Each book focuses on reading, writing, and math for 10 weeks. These can be found on Amazon and the Scholastic website.

Summer Fit

These books are available for grades PK-8. The curriculum covers reading, writing, math, language arts, science, and geography. A daily fitness log is also included to encourage kids to get moving. The program also addresses Christian core values. They are available on Amazon.

There are MANY other summer workbooks available. A quick search on Amazon or scrolling through the website Christian Books will provide many options.

SCRIP UPDATES

Our scrip partner, **Shop With Scrip**, has done some rebranding and their new name is **Raise Right**. Any login credentials you had set up on shopwithscrip.com should transfer seamlessly to raiseright.com. This name now matches the app - RaiseRight Fundraising.

Stop in the Business Office to purchase SCRIP all summer long!

LOOKING AHEAD TO OUR 2022-2023 SCHOOL YEAR

- [2022-2023 Calendar of Events](#)
- [2022-2023 Grade Supply List](#)
- [2022-2023 Publicity Form](#)
- [Athletic Sports Physical Form](#) (required for Grades 5-8 before first practice)
- [Athletic Handbook Signature Page](#) (required for grades 5-8 before first practice)
- [2022-2023 Athletic Handbook](#)
- Athletic Sports Physical Note: The required 6th grade Health Certificates will be accepted as long as the physician has checked the appropriate boxes on page 2 of that form.

Click on the above underlined links to view all forms.

Unpack Your Backpack Night is scheduled for August 16th. Forms can be returned then.
